It would be very helpful if your child came to school with the following materials:

- Wide ruled filler paper to share with the class (optional)**
- 4 Dry erase markers (low odor), marked with the student's name**
- Old face cloth or sock to use as an eraser**
- Pencils (at least 20)**
- Pen – blue or black – no red**
- Blunt pointed scissors**
- Pencil pouch – to go into the binder**

-For at home - 4 paper bags, or other materials to cover books. All textbooks must be covered, and kept covered. Students will be given several days to have all of the books covered, by bringing home one book a night.

Plastic framed backpacks will not fit in the lockers, regular size backpacks that are collapsible are ideal.

Staplers, glue, and rulers will be provided by the classroom teacher as needed.

Please do not bring trapper keepers or pencil boxes. There is not enough room in desks or lockers.

Please do not purchase Assignment Books. The school will supply them.
