Summer Mailing

Re: Medication

In preparation for the next school year, we have enclosed the medication form that must be completed by the doctor and yourself, if your child will have medication(s) at school.

A REMINDER: It is against ED.311.02 (Department of Education) and school policy, for your son/daughter to have any medication on his/her person. This includes **OVER THE COUNTER** medication as well as prescription medications.

The exception is for **Inhalers & EpiPens**. The **specific form attached** must be completed if you & your doctor want your child to carry his/her own Inhaler/EpiPen.

NO OTHER FORM IS ACCEPTABLE

PLEASE TAKE NOTE:

ALL MEDICATIONS MUST BE BROUGHT DIRECTLY TO THE HEALTH OFFICE BY THE PARENT/RESPONSIBLE ADULT

If we do not receive new doctor's orders and the parent permission form, we will assume your child will not be taking medication at school next school year.

Please refer to the enclosed form(s) for specific instructions.

If your child will be taking medication **only at home** and not at school this coming year, please let us know. If we are aware of this, we can monitor the effectiveness of the medication and watch for possible side effects.

If you have any questions, please feel free to call us at 332-4090 ext. 327.

Sincerely,

The Rochester School Nurses
