

# Spaulding High School

## 2011 – 2012 School-wide Priorities

### **Culture of Respect**

- 7 Norms of Collaboration
- Clear, consistent, and fair expectations from all SHS community members

### **Curriculum, Instruction & Assessment**

- Instructional strategies will be aligned with research-based best practices
- Educators will implement research-based instructional and classroom management strategies
- Data-driven dialog will inform implementation of interventions in reading and mathematics
- Full implementation of the competency model
- Everyone will strive to help students achieve AYP

### **Student Engagement & Success**

- Build relationships
- Raise awareness and utilize alternate pathways
- Improve MS to HS transition
- Align student pathway to post-secondary aspirations
- Identify & address systematic and cultural obstructions
