Community Service

Student Volunteers from the Rochester School District

Goals:

- To recognize the good work that students do by volunteering in their community.
- To promote good citizenship.

- To document volunteer hours for presentation to prospective schools and employers.

Please list hours that you have volunteered outside your home for your church, neighborhood, clubs, recreation associations, other community organizations, or on your own. Use a separate form for each different supervisor.

Please do not list hours that were a course assignment for which you received a grade. (Service Learning)
