## APPLICATION PROCESS

### FOR STUDENTS WHO WISH TO PARTICIPATE IN

### TRI-CITY CAREER & TECHNICAL EDUCATION (CTE) PROGRAMS

#### DOVER - ROCHESTER – SOMERSWORTH

**COMPLETE-** This application, obtain parent/guardian signature, and return to the guidance office or CTE Center Office as soon as possible.\* **Second year CTE students (second and third year students)** must also complete an application.

**INDICATE-** Your 1<sup>st</sup> and 2<sup>nd</sup> choice of study because programs fill up quickly. Turn in your application as soon as possible, as space is limited and the application process can be extremely competitive.

**ACCEPTANCE** - You will be notified if you are accepted into the program you have chosen. Acceptance into a CTE program is conditional upon **Indicators of Success**. In addition to your interest in the program, your attendance and grades will be determining factors in the decision regarding acceptance into the program.

**Indicators of Success** are as follows:

- a. The applicant should be passing his or her courses in the previous grade. Students should demonstrate basic skill levels and readiness for high school technical instruction. Students exhibiting proficiency of basic skills are likely to be successful and, therefore, appropriate to place in CTE programs.
- b. The applicant should have a good attendance record. Students with positive attendance habits are more likely to succeed in a laboratory-based learning environment where one day's work depends so much on previous work in the laboratory.
- c. The applicant should have a positive behavior record. A laboratory environment is no place for erratic or unsafe behavior. Due to the nature of CTE program laboratory environments, it is imperative that appropriate and safe behavior is exhibited by all students participating in CTE programs.
- d. Any special needs of the applicant should be discussed with the receiving CTE center to insure that proper support is provided by the responsible party.

**WAITING LIST** - You will be notified by the CTE office if you were placed on a waiting list.

**REMINDER-** All students are required to travel by bus for safety reasons.

**NO PRIVATE TRANSPORTATION IS ALLOWED –**

except under extenuating circumstances. Prior approval by the director and a parental signature is required in such cases.

\* Guidance office, please forward applications to the appropriate technology center office as soon as possible.
